ECF partners with COPE to provide school supplies for 1,000 kids in District 65

Caring Outreach by Parents in Evanston (COPE) is leading this year's School Supply Drive for students attending District 65. Thirty-eight percent of District 65 students are low income, and thirty-five percent qualify for free or reduced lunch.

A \$20 donation buys a backpack and school supply kit for one child, and our goal is to raise \$20,000 for 1000 District 65 school children. Donate directly through ECF and 100% of your donation will be used to buy school supplies. *Please select "School Supply Fund" on our donation page.*
