Policy for Public Availability of IRS Forms 990 and 990-T

The Evanston Community Foundation (“ECF”) is accountable to the community of Evanston, our donors and grantees. The Foundation regularly makes available information on its programs and finances through print publications and press releases, as well as on its website. A summary of ECF’s audited financial statements appears in the Foundation’s annual report, issued each fall. The most recent audited financial statements and IRS Form 990 appear on ECF’s website; individuals may also view these documents in the offices of the Evanston Community Foundation upon request. The Evanston Community Foundation does not currently file an IRS Form 990-T; however, in accordance with the Pension Protection Act of 2006, the Evanston Community Foundation will make available to the public its IRS Form 990 –T, should one be filed, in the same manner its Form 990 is made available.
