Monique Brunson Jones

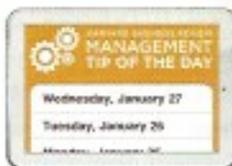

ON HER NIGHTSTAND

"Eyeglasses, iPad, glass of water, and TV remote control."

IN HER EARBUDS

"The Robert Glasper Experiment is currently on repeat, along with Pandora's Blue Six Radio."

FROM HER MOBILE

"I live life by the Weather Channel app and FitBit these days, trying to get more time outside before the snow comes. I'm also a fan of TED and the Harvard Business Review Tip app."

A NEW DAY

Evanston Community Foundation's new President and CEO, Monique Brunson Jones, will oversee the continued growth and evolution of the foundation as it helps Evanston as a vibrant, inclusive, and just community by building endowments. Here's how Jones stays on trend.
